Introducing WESTTEK's Products for Google Android!

JETCET PDF

Always have your important information with you whether you are in the office or on the road! JETCET PDF retains all of the original formatting in Adobe PDF files transferred from a desktop PC, e-mail attachments, or downloaded from the web. Features include support for Password-protected files, 40-bit and 128-bit encrypted PDF's, 'Go to Page' navigation, Bookmarks and more.

To purchase JETCET PDF, select the Market icon from your Android based phone and navigate to Applications/Productivity.
